## £43,950 - 2004 DORAL MONTICELLO

A superb diesel powered Doral Monticello. Diesel power means that this boat offers substantially improved economy and range.... and the diesel engine used is the preferable Volvo diesel rather than the MerCruiser diesel. She has an excellent level of equipment including GPS chartplotter, DSC VHF, camper cover, hinged radar arch, extended teak finish bathing platform, cockpit cover, remote spotlight, trim tabs, holding tank and macerator. She is all ready to go. (1886).
