New in September 2005 this is an excellently maintained example of the Monterey 270CR, now known as the 295CR. This boat has the fabulous turbocharged Yanmar 315 diesel which has been maintained by ourselves from new. Being that little bit bigger than the Monterey 250/275 means she gives even better handling. Superbly built and very comfortable. She also has an excellent level of standard equipment as well as the black gel stripe, TV, extended camper cover, teak effect floor for swim platform, cockpit and cabin, new upholstery for cockpit and sunlounger, VHF, GPS chartplotter, pull up cleats, antifouling and fenders/warps/anchor etc. A very tidy and well looked after example of this very successful cruiser.
